

NFRP RULES

No trailers on grounds before 12:00pm on Friday without permission

IMPORTANT: No refunds for this race once entered (no exceptions) so please make sure your entry is correct before hitting the submit button. All Entries must be pre paid. Any and all horse changes must be made before entries close at 10:00pm on Nov 1st. Again....no refunds.

SELLING SPOTS: I will allow you to sell your stalls or entries for this race up until noon on Nov 6th, but you must sell all of one horse's entries to the same person. I will not split entries for a particular horse between multiple people.

EXAMPLE: You are entered on Horse 1 for Friday, Saturday & Sunday in the Open. You may not sell Friday to one person and Saturday & Sunday to another person. They must go to one person. In the event you only sell one of the days, the other days will go down as a scratch. You will then both need to email the change to me at shelley@sbarsarena.com

LATE ENTRIES: Late entries are not guaranteed, but if taken, they will open on November 3rd and close at noon on Nov 5th. Before you late enter, you might check to see if you can help someone that is selling their entries.

OPENING DAY: The office will open at 1:30pm on Friday. No contestants are to be in the building with the arena before 1:30pm as vendors will be setting up and absolutely no horses are allowed in the building with the arena before 2:00 for the first set of ride times.

STALL INFO: When you arrive on Friday you will purchase your shavings, mats & camping from the General Store in Pavilion #2 where the stalls are. They will be open until 9:00pm. No outside shavings are allowed. If caught changing stalls or taking other people's shavings, you will be disqualified.

RACE INFO: Friday is a combined draw. On Saturday for the Open Race, we will run #1 thru 175 at 1:30pm. The rest will go at 6:30pm following the Open Top 15. If you need to be in a particular session, you may make a comment on the entry form and I will try to help you out, but this will not be guaranteed. If running more than 1 horse, it is not guaranteed you will be in the same session. The draw is random.

HOLDING PEN & ALLEY: You must be in the holding pen and ready to load before the tractor turns off from dragging the arena after the previous 5 runners. *You must be **in the alley way** in your draw position during your drag or be disqualified. Please have help if you have a problem horse. When the arena director asks you to load, YOU MUST LOAD OR WE MOVE ON.* We will not unload the horses in the alley to accommodate you if you come in late. If you miss your turn, we will NOT put you at the end. (You will want to pay attention to how fast we are running. This race typically runs very fast because of the way you come in the alley.) *If your horse has a problem with this setup, this race may not be for you. **Once they open the gate for you to run you must maintain forward motion. No purposely turning and then facing.*** Please leave the holding area as soon as your run is done.

NUMBER PRESENTATION: The number presentation for the top 15 will be at 10:30am Saturday morning for both the Open top 15 and the Junior top 15. This is mandatory and you must be present. Awards and Pictures will happen at this time for the Top 15. This will be held in the arena.

TOP 15 SHOWCASES: The Open top 15 showcase runs will be Saturday at 6:30pm. The Junior Top 15 Showcase will run Sunday at 9:30am. There will be payback thru 6 places in the showcases so you will want to run your best horse in the showcase. If entering more than one horse over the weekend, please leave the name of the horse you are running in the showcase in the comments section.

Dress code includes hat or helmet, jeans, long sleeves & boots. If you lose your hat, you will pay the barrel setter \$5 to get it back

The warmup arena is in P2 and the outdoor arena. Please be mindful of other contestants.

AWARDS: All go round winners and average winners must be present directly after the race each day for pictures and buckle presentations.

Last but not least....HAVE FUN and don't forget to shop with our Cowboy Christmas vendors! Make sure to turn your receipts from any purchases into the office for fun drawings.

NO DOGS IN THE BUILDING WITH THE ARENA. Please make provisions for them.

We must have a W-9 on hand for 2026 before your checks will be mailed. (You may print one off from www.sbarsarena.com)
