

# NFRP RULES

No refunds for this race once entered (no exceptions) so please make sure your entry is correct before hitting the submit button. All Entries must be pre paid. Any and all horse changes must be made before entries close on Oct 28<sup>th</sup>. Again....no refunds. You may not sell spots for this race after Oct 28<sup>th</sup>. I will not guarantee late entries will be taken. I will know more after the entries close.

No trailers on grounds before 12:00pm on Friday without permission

The office will open at 2:00pm. No contestants are to be in the building with the arena before 2:00pm as vendors will be setting up and absolutely no horses are allowed in the building with the arena before 2:30 for the first set of ride times

When you arrive on Friday you will purchase your shavings, mats & camping from the General Store in Pavilion #2 where the stalls are. They will be open until 9:00pm

If caught changing stalls or taking other peoples shavings you will be disqualified

On Saturday for the Open Race, we run #'s 1 thru 150 at 2:00pm the rest will go at 6:30pm. If you need to be in a particular session, you may make a comment on the entry form and I will try to help you out but this will not be guaranteed. If running more than 1 horse, it is not guaranteed you will be in the same session. The draw is random.

If you miss your turn, we will not put you at the end. (You will want to pay attention to how fast we are running. This race typically runs very fast because of the way you come in the alley.)

**You must be in the alley way in your draw position in your drag or risk being disqualified. Please have help if you have a problem horse. If the arena director asks you to load.....YOU MUST LOAD OR WE MOVE ON.**

**Once they open the gate for you to run you must maintain forward motion. No turning and then facing.**

Please leave the holding area as soon as your run is done.

Dress code includes hat or helmet, jeans, long sleeves & boots. If you lose your hat you will pay the barrel setter \$5 to get it back

The warm up arena is in P2 and the outdoor arena. Please be mindful of other contestants.

**NO DOGS IN THE BUILDING WITH THE ARENA**

We must have a W-9 on hand before you pick up any winnings. (You may print one off from [www.sbarsarena.com](http://www.sbarsarena.com))

**All go round winners must be present directly after the race each day for pictures and buckle presentations.**

The number presentation for the top 15 will be at 11:15am on Saturday for both the Open top 15 and the Junior top 15. **Last but not least....HAVE FUN and don't forget to shop with our Cowboy Christmas vendors!**
